## Introduction

Welcome to the Aylesbury and District Midweek Cricket League's 2009 season.

This annual handbook brings together all the information that clubs should need to ensure the smooth running of the League this year: fixtures, dates, contact details and rules. It also contains details of the 2008 season and of previous awards winners.

There are a number of changes to the rules for 2009, listed in full on pages 6 – 11. A summary of these changes follows:

- The result of a senior fixture must be recorded by the end of the week the fixture was due to be played, or else the fixture will automatically be recorded as abandoned.
- For under 13 matches only, batsmen must retire at 30 but will be able to bat again if all wickets have fallen.
- Additional Twenty/20 rules will apply for under 17 matches (free hits for no-balls, 90 seconds timed outs and the completion of overs in allotted time).
- Junior league matches will only be deemed to have been rescheduled 'by mutual agreement' once both clubs have emailed the League Secretary to confirm the new fixture date.
- Players in the under 13 age group and younger will not be permitted to play in senior league and cup matches.

The under 11 competition will still be played under pairs rules in 2009. (The Bucks League under 11 competition this year has switched to a modified 11-a-side format.)

The under 17 competition this year has been split into two divisions. The top two teams in each division will play semi-finals in week commencing July 6, with the final on Monday July 13. The winners of the ADL final will play the winners of the Mid-Bucks League by the following week. Teams not making the semi-finals are free to arrange cross-division friendlies from June 29.

There have been a number of late drop-outs from the junior competitions: Aylesbury Town under 11s and under 15s, Whitchurch under 15s and Winslow Town under 13s. In all cases the original fixture schedules have been left intact to avoid disruption. This has resulted in a slightly odd-looking under 15 North & West fixture list following the two withdrawals.

A reminder that all clubs fielding junior sides should have a fully-trained Club Welfare Officer (i.e. one who has attended both *Good Practice & Child Protection* and *NSPCC Time to Listen* courses).

Match results must be submitted to the League website at [www.admcl.co.uk](http://www.admcl.co.uk). Please endeavour to enter your results as soon as possible after matches have been played, in order for the league tables to show the positions accurately. Please also ensure that your club details are up to date on the website. If you need reminding of your user ID and password then please email Mick at [mick@lewers.com](mailto:mick@lewers.com).

Cup results should be communicated by both teams within 24 hours of the match to Cup Secretary Tony Cherry on 01296 487885, and by email to [cupresults@admcl.org.uk](mailto:cupresults@admcl.org.uk).

The league is run by hard-working volunteers and relies heavily on the self-sufficiency of its member clubs. Please do your best to ensure that fixtures run smoothly, and use your common sense before referring any disputes to the committee for resolution. We wish everyone good luck for a successful – and dry – season.

Aylesbury & District Midweek Cricket League Committee  
April 2009

## Constitution

1. The League shall be called the "Aylesbury and District Midweek Cricket League".
2. The object of the League shall be to organise matches between member clubs, and to encourage other clubs to participate.
3. Application for membership should be made annually by clubs prior to the 31st January of the season in which they want to play.
4. The Annual General Meeting of the League shall be held no later than the end of November. Every member club shall be entitled to send any number of representatives, only one of whom shall have the power to vote, irrespective of the number of teams fielded by a club in the League.
5. A member of the Committee who is not subscribed to a member club shall have the power to vote as an individual. In the event of voting being equally divided the Chairman shall have the casting vote. The Chairman's club may be allowed to vote in addition to the casting vote.
6. A Management Committee shall be elected at the Annual General Meeting to consist of Chairman, Vice Chairman, Secretary, Treasurer and Competitions Secretary. Quorum of the Management Committee to be THREE members.
7. All Committee members retire at the Annual General Meeting. If more than one nomination is received for any one post, then election shall be decided by a ballot among voting members present at the Annual General Meeting.
8. A notice with agenda covering the Annual General Meeting shall be sent to the nominated representative of every member club at least 7 days prior to the date of the meeting.
9. An Extraordinary General Meeting shall be called on the receipt of a written request from 6 member clubs. The meeting shall be arranged within a month of receipt of such a request and all member clubs informed within 7 days of the meeting.
10. A member club may enter any number of teams in the League provided that such entries are acceptable to the Management Committee as being in the best interest of the League.
11. A member club may not have more than one team in a division, even if that division is split into regional zones.
12. No player shall appear for more than one club during the season, unless the written agreement of the League Secretary is obtained.
13. The Management Committee has the power to make or amend rules of play.
14. The Constitution can be amended at the Annual General Meeting by a two-thirds majority of voting members present.
15. The money received in League Funds is to be spent or deposited as considered fit by the Management Committee and all cheques should be signed by two of the Chairman, Secretary and Treasurer.

## Rules of Play

1. All fixtures will be governed by the MCC Laws of Cricket except as otherwise stated below.
2. The ECB Code of Conduct will apply to all matches. Specifically, all junior team managers must ensure that in every circumstance the umpires' decisions are unquestionably accepted as final by players, parents, coaches and supporters.
3. Senior and Under 13, Under 15 and Under 17 teams will consist of not more than 11 players per side. Under 9 and Under 11 teams will consist of 10 players per side.
4. Senior matches will consist of 15 eight ball overs per innings and junior matches 20 six ball overs per innings. The number of overs may be reduced at the agreement of the captains.

No bowler may bowl more than 4 overs, or 3 overs in a reduced match. A bowler must not take more than a 12 yard (11 metre) run from the wicket and the ground should be marked if possible. The penalty for infringement is a no-ball.

If a bowler should be unable to complete an over then another bowler may do so, but that part of an over will count as one of his 4 permitted overs, or 3 overs in a reduced match.

5. 6 points will be awarded for a win and 3 points for a tie. In the event of a tie the number of wickets lost by each team is not significant except for bonus points. (See Rule 6.)

6 points will be deducted from a team fielding an ineligible player or failing to fulfil a fixture on a mutually agreed date, with 6 points awarded to the opposition in the former and 8 points being awarded in the latter case.

An offending team, with regard to ineligible players, will not be awarded any points from a fixture in which an ineligible player has appeared.

For senior matches, if a match is abandoned due to bad weather then 3 points will be awarded to each team and the match will not be replayed in such circumstances.

For junior matches, if a match is abandoned due to bad weather and it is not possible to rearrange by mutual agreement then 3 points will be awarded to each team. Matches will only be deemed to have been rescheduled 'by mutual agreement' once both clubs have emailed the League Secretary to confirm the new fixture date.

6. A team will be awarded one batting bonus point for scoring 100 runs or more in an innings.

A team batting second in a match will be awarded one batting bonus point if it wins the match with a total score less than 100 runs provided that fewer wickets have fallen than in the opposing team's innings.

A team will be awarded one bowling bonus point for taking 7 wickets or more in an innings.

7. Points will not be awarded for matches that are not played, except in the case of failure to fulfil a fixture. (See Rule 5.)

8. If teams tie on points in the League then positions will be decided on the following basis: games won, then tied games and finally bonus batting points.
9. If a team is withdrawn from the League without having played more than half its matches then the record of that team will be expunged and one fewer clubs will be relegated from the division at the end of the season.

When a team is withdrawn after playing more than half its fixtures then the Committee will decide an appropriate course of action.

10. Where a club has more than one team in the senior divisions it must inform the League Secretary of its best nine players in the first team at the start of the season, and these players will then be ineligible to play in the lower teams at any time during the season.

If an ineligible player appears then the penalty shall be stipulated as in Rule 5, provided the opposition team provides a written complaint to the League Secretary.

11. A member club may not have more than one team in a division, even if that division is split into regional zones. No player shall appear for more than one club during the season, unless the written agreement of the League Secretary is obtained.
12. The Management Committee has the power to make or amend rules of play.

League results must be submitted to the league website at [www.admcl.co.uk](http://www.admcl.co.uk) by the winning captain or manager within 24 hours of completion of the match. The notification should contain details of the scores, wickets lost and points gained together with any individual performances where at least 3 wickets were taken or 30 runs scored.

If the result of a senior league fixture has not been submitted by midnight on the first Sunday after date the fixture was due to be played, then that fixture will automatically be recorded as abandoned with 3 points to each side.

13. Senior matches should be arranged midweek (Monday to Friday), and junior matches midweek and Sunday mornings, with matches to be completed by the second week of August, except when there is a divisional or county play-off in which circumstances all matches must be completed at least 5 days before the date reserved for the play-off.

The League Secretary will instruct Clubs before the season of the week in which matches should be played and their permission is required to arrange games for another time. The day of play is the choice of the home team.

In exceptional circumstances the League Secretary may approve a senior fixture at the weekend.

14. When teams have to meet twice in the League, then they can by mutual agreement, and with the prior permission of the League Secretary, play one match and double the points obtained by each side. The League Secretary will grant his permission only in the circumstances of fixture congestion for matches not played by 31st July.
15. Matches should commence no later than 6:30pm (10:00am on Sunday mornings). However, for evening matches teams should endeavour to start by 6:15pm. In any event the toss should take place at 6:15pm.

Teams not ready to toss up at 6:15pm shall forfeit the right to do so. Teams not ready to start at 6:30pm shall forfeit one over of their innings for every five minutes play lost.

16. Under 9 and Under 11 competitions will be played according to the pairs rules as issued by the Bucks Cricket Board, listed in this handbook.
17. The under 17 competition will be played according to the Twenty/20 rules listed in this handbook.
18. In the under 13 age group only, batsmen must retire at 30 but will be able to bat again if all wickets have fallen.
19. For junior matches players must be under the age stipulated for a division on the 1st September of the previous year.
20. Players in the under 13 age group and younger will not be permitted to play in senior league and cup matches.
21. All clubs fielding junior sides must have a fully-trained Club Welfare Officer (i.e. one who has attended both *Good Practice & Child Protection* and *NSPCC Time to Listen* courses).
22. The following ECB Directives will be observed in their entirety:
  - a. Guidance on the wearing of helmets
  - b. Fast bowling directives
  - c. Ball weight, stumps dimensions and pitch length recommendations for junior cricket
  - d. Juniors playing in adult cricket
  - e. Junior fielding regulations
  - f. Girls playing in boys age-group leagues and competitions

The League website at [www.admcl.co.uk](http://www.admcl.co.uk) has links to these ECB documents.

### ***Recommendations***

Guidelines for what will constitute a wide in junior cricket and how wides and no-balls will be scored should be agreed between the umpires on a match-by-match basis and advised to team managers and scorers prior to commencement of play. For example, it may be decided that a wide and/or no-ball will be scored as 2 runs and no extra ball will be bowled in the over.

### **In the Event of a Tie in Junior Knock-out Matches**

If a junior knock-out match ends with the scores level then the winner shall be the team that has taken the greater number of wickets.

If still equal, the team with the higher score at the end of the penultimate over shall win and so on back through the overs. If still equal, the team with the higher score at the end of the penultimate ball shall win (and so on back through the balls).

(The above clarification mirrors the Bucks County League rules.)

## Under 9 and Under 11 Regulations

1. The MCC Laws of Cricket and the League's rules of play shall both apply, with the following alterations:
  - The pitch should be 18 yards long for Under 9s and 20 yards long for Under 11s. The practical difficulties faced by Clubs in preparing pitches of non-standard lengths are recognised, and the length of the pitch may be mutually agreed in advance between two competing Clubs.
  - For Under 9 matches an Easton Incrediball junior ball shall be used and shall last for both innings.
  - For Under 11 matches a new or re-polished 4¾oz junior cricket ball shall be used and shall last for both innings.
  - Stumps shall be 27" above the ground and 8" wide.
  - Each team shall comprise of 10 players.
  - Each team shall commence their innings with 200 runs.
  - Each innings shall consist of 20 six ball overs. Each player except the wicket-keeper must bowl at least two overs but not more than three overs. A bowler must not take more than a 12 yard (11 metre) run from the wicket and the ground should be marked if possible. The penalty for infringement is a no-ball.
  - The batting team shall be divided into five pairs of batsmen and each pair shall bat for four overs.
  - Batsmen shall have unlimited "lives" but SIX runs shall be deducted from the total every time a batsman is dismissed (including run outs). No batsman who is out should face the next ball; batsmen shall change ends after a dismissal if necessary to achieve this.
  - The umpires shall not call "time" after the last ball of any innings until the ball has indisputably become dead.
  - The umpires shall not allow play to proceed if any player is within 11 yards from middle stump at the striker's end except behind the wicket on the off side.
  - The winner shall be the team with the greater score at the end of the match. If the match ends with the scores level, the winner shall be the side which has taken the more wickets. If still equal, the side with the higher score at the end of the penultimate over shall win and so on back through the overs. If still equal, the side with the higher score at the end of the penultimate ball shall win (and so on back through the balls). It is therefore essential that those scoring agree on the numbers of runs scored each over throughout the match.

2. In the event that the umpires being satisfied that a player is incapacitated during the course of a match, his place may be taken by a reserve who shall bat and/or bowl in his place. If no reserve is available any over due to be bowled by the injured player shall be bowled by another player without exceeding their quota. The captain of the fielding side shall choose one of the batsmen in the batting side's first three pairs to bat a second time in the fourth pair.

Should a side (for unforeseen circumstances) take the field with only nine players, then the captain of the opposing side may decide prior to each innings which of the remaining nine players may bat again as the tenth man and which should be allowed to bowl the quota of overs of the missing player. It is expected that all team managers will use their best endeavours to prevent such events occurring.

3. Wearing of protective kit for the Under 9s will be at the discretion of individual clubs.

## **Under 17 Twenty/20 Regulations**

1. The MCC Laws of Cricket and the League's rules of play shall both apply, with the following alterations:
  - The penalty for a no-ball will be 2 runs.
  - The delivery following a no-ball called for a foot fault shall be a free hit for whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of no-ball or a wide ball) then the next delivery will become a free hit for whichever batsman is facing it.

For any free hit, the striker can be dismissed only under the circumstances that apply for a no-ball even if the delivery for the free hit is called wide ball.

Field changes are NOT permitted for free hit deliveries.

- The incoming batsman must be in position to take guard or for his partner to be ready to receive the next ball within 1 minute 30 seconds of the fall of the previous wicket. The incoming batsman is expected to be ready to make his way to the wicket immediately the wicket falls, and is expected to jog to the wicket.
- All sides are expected to be in position to bowl the first ball of the last of their 20 overs within 1 hr 15 minutes playing time. In the event of them failing to do so, the full quota of overs will be completed, and the batting side will be credited with 6 runs for every whole over that has not been bowled. This will apply to both innings of the match. If the side batting second is credited with runs in this way and this consequently takes their score past that of the side batting first then the match shall be deemed to be won by the side batting second. All penalties in this regard will be imposed immediately the ball first becomes dead after the scheduled or re-scheduled cessation time for the innings.

## **2009 Aylesbury Cup**

### ***Rules of Play***

The same rules apply as for the senior section of the League except for the following:

#### **Rule 5**

In the event of a tie then the team that has lost fewer wickets will qualify for the next round. If teams have lost the same number of wickets then the team that has scored more runs after 10 overs will qualify for the next round. If teams have scored the same number of runs over 10 overs then the team that has scored more runs after 5 overs will qualify for the next round.

#### **Rule 10**

No player may appear for more than one team. A team playing an ineligible player will be disqualified.

#### **Rule 12**

A representative from both teams must inform the Cup Secretary of the match result within 24 hours of the game being played. The result must also be emailed to [cupresults@admcl.co.uk](mailto:cupresults@admcl.co.uk)

#### **Rule 13**

Matches should be decided by the date laid down for each round. The home side must propose at least two dates for a forthcoming fixture as soon as the home and away sides are known. In the event of disagreement the matter should be immediately referred to the Cup Secretary. The Cup Secretary is empowered to nominate the winner of a tie that has not been decided by the appropriate date. Teams will be expected to fulfil a League fixture that has been allocated for the same week as a cup tie. Only in exceptional circumstances will the League Secretary grant a postponement of such a fixture.

#### **Venue**

The team drawn first will have choice of venue until the final, which will be played at Tring Park Cricket Club on Friday 17th July 2009. The Cup Secretary will appoint neutral umpires for the final.

#### **Fielding Circle**

Throughout an innings, at the instant of delivery a minimum of four fieldsmen plus the bowler and the wicket-keeper must be inside a 30-yard fielding circle. The penalty for infringement is a no-ball.

## 2008 Junior League Tables

Division & Club	Played	Won	Lost	Drawn / Abandoned	Points	Notes
<b>Under 9 (North)</b>						
Wendover	5	5	0	0	38	ADL Champions
